I guess it has been longer than I thought.... It is a Star I didn't have a johnson here but I called the west and ask.

hope this helps if you need any help let me know.

Eric

Thanks, Eric. It sure does help. I'll be playing mechanic on Friday & Saturday. It's a learn as you go with me so wish me luck.

And don't forget to send any good photos of fish to Fish & Field Report. It will be good free advertising for you and Atwood Lake.
