Here is my list.

Princess Bride

Transformers

Goonies

Jaws (yeah I have not gave up yet)

Indian Jones last Crusade

So let me have it just remember the movie has to be good for all audiences.

Eric

The Movie and Fish Fry was a huge success once again.

The addition of the corn hole game and the music you played

added an extra special touch to a wonderful night.

Hope more people respond to the forum so you don't have to

shut it down. So come on boaters let's chat it up!!!
